CALL FOR NOMINATIONS
FOR
IFAC AUTOMATICA PAPER PRIZE

Description and Presentation of the Award
The Prize is given for outstanding contributions to the theory and/or practice of control engineering or control science, as documented in papers published in the IFAC Journal Automatica. In each triennium, three such prizes are given, with funds provided by the publisher of Automatica, Elsevier Science Ltd. For this triennium, the prizes will be presented during the Awards Ceremony at the 20th IFAC World Congress, to be held in Toulouse, France, 9-14 July, 2017.

Eligibility
To be considered for the Automatica Paper Prize, papers must have appeared in Automatica during the three calendar year period: January 2014 through December 2016, that is Volumes 50 until 74.

Nominations
A complete nomination should include:
   a) A nomination letter that contains the full title of the paper and name(s) of the author(s), as well as the issue (year, month, number) of Automatica where the paper has appeared.
   b) A brief description of the contributions of the paper, and why (in the opinion of the nominator) the paper deserves the prize.

Submission
Nominations should be submitted no later than February 15, 2017, and in electronic form. They should be addressed to:
